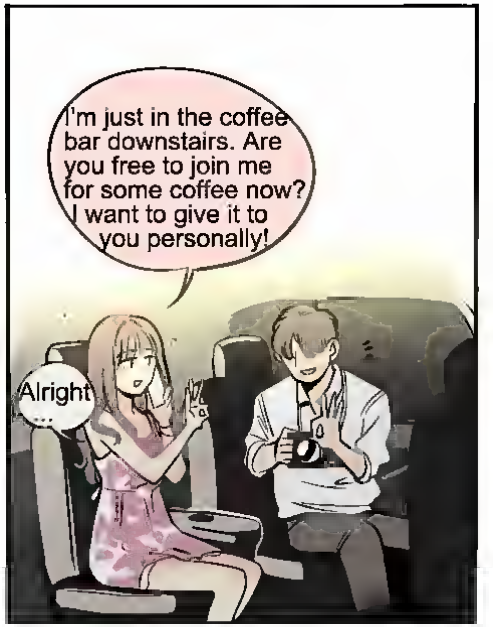
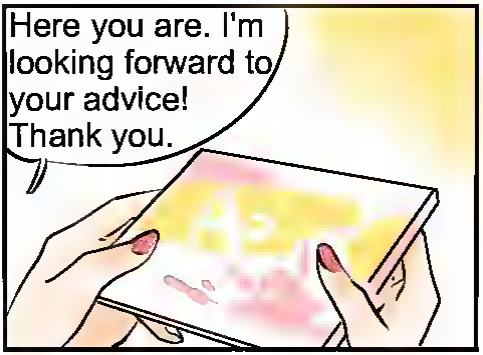
Mr. Young, my name is Aya. We met each other at the backstage last time...
Aya...

I just made a new album and I'm wondering if you have time for the demo...
Congratulations!

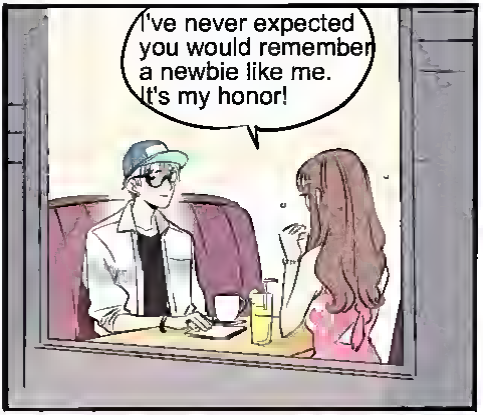


I'm just in the coffee bar downstairs. Are you free to join me for some coffee now? I want to give it to you personally!
Alright...

coffee



Here you are. I'm looking forward to your advice! Thank you.



I've never expected you would remember a newbie like me. It's my honor!

We didn't even have enough time to talk last time..
